Experience

K Estates Real Estate, Dubai, UAE — Backend Developer

May 2024 - Present

- Developed and maintained backend services for web and mobile applications.
- Created APIs and optimized database queries for better performance.
- Tested and debugged applications to ensure reliability.
- Implemented security and data protection measures.
- Developed and maintained admin panels using React.js for managing and monitoring application data and performance.

Luxuryproperty.com, Dubai, UAE — Full Stack Developer

Jan 2023 - Feb 2024

- Worked with development teams and product managers to ideate software solutions.
- Designed client-side and server-side architecture.
- Developed and managed well-functioning databases and applications.
- Wrote effective APIs.
- Tested software to ensure responsiveness and efficiency.
- Troubleshooting, debugging, and upgrading software.

Find Properties, Ajman, UAE — Backend Developer

June 2021 - Dec 2022

- Created sustainable and functional web applications with clean code.
- Designed databases and integrated third-party services, SDKs, and APIs (SMS, Payments, and push notifications).
- Created servers and databases for functionality.
- Designed and developed APIs for frontend websites and mobile apps.
- Troubleshooting and debugging applications.

Ghazal IT Services, Sharjah, UAE — Backend Developer

Jan 2020 - May 2021

- Participated in the entire application lifecycle, focusing on coding and debugging.
- Wrote clean code to develop functional web applications.
- Collaborated with frontend developers to integrate user-facing elements with server-side logic.
- Documented the development process, architecture, and standard components.
- Built reusable code and libraries.

Neelain University- ITCC, Sudan — Software Engineer

Jan 2017 - Nov 2019

- Developed, recorded, and maintained cutting-edge web-based applications on portal plus premium service platforms.
- Prepared and maintained all applications utilizing standard development tools.
- Utilized backend data services and contributed to increasing existing data services API.
- Led the entire web application development life cycle from concept stage to delivery and post-launch support.
- Documented the development process, architecture, and standard components.

Hadiga Travel & Tourism, Sudan — Software Developer

Oct 2013 - Nov 2016

- Analyzed system requirements and prioritized tasks.
- Wrote clean, testable code.
- Reviewed and refactored code.
- Created stored procedures, functions, and triggers.
- Troubleshooting, testing, and maintaining core product software and databases.

Education**Neelain University, Sudan — Master's in Information Technology**

2014 - 2016

Neelain University, Sudan — Bachelor's in Software Engineering

2009 - 2013

Skills

Backend Development:

- **NestJS:** Expertise in building scalable and maintainable server-side applications using the NestJS framework.
- **Node.js:** Proficient in server-side development and asynchronous programming.
- **Laravel:** Experienced in building robust backend systems with Laravel.
- **RESTful APIs:** Skilled in designing and implementing RESTful services.
- **Database Management:** MySQL, including optimization and performance tuning.

Frontend Development:

- **React.js:** Developed and maintained dynamic admin panels and user interfaces.
- **HTML, CSS, JavaScript:** Strong foundation in frontend technologies and responsive design.
- **Redux, Hooks:** State management and advanced React patterns.

Programming Languages:

- **JavaScript, TypeScript, PHP:** Proficient in multiple programming languages for both backend and frontend development.

Tools and Technologies:

- **Version Control:** Git, GitHub, GitLab.
- **CI/CD:** GitHub Actions.
- **Cloud Services:** AWS (S3, EC2, RDS).

Other Skills:

- **Object-Oriented Programming:** Solid understanding of OOP principles.
- **Third-party API Integration:** Experienced in integrating various third-party services and SDKs.
- **MVC Architecture:** Proficient in implementing MVC design patterns.

Languages

- **Arabic:** Native
- **English:** Intermediate
